

The Trainer - A FAUZI A WAHAB

A Fauzi is currently a full-time trainer and consultant. He holds an MBA qualification from USM and a Bachelor's degree in Applied Science from Curtin University, Australia.

He has worked in large multi national organisations as well local conglomerates since 1982 in various functional areas from Sales, Human Resources, Business Development as well as Operations and Accounts Management, in the consumer goods, palm oil, electronics and contract manufacturing industries.

The knowledge from his MBA curriculum and his working experience has helped him understand various aspects of managing the business. His experience is the Sales, Business Development and Accounts Management puts him in direct contact with the customers.

In providing Training and Consultancy, his client list covers some of the most well known names in the industry including SONY, Panasonic, Sharp-Roxy, MODENAS, SHELL, NAZA Automotive Manufacturing, KUB Textile, Boustead Naval Shipyard, Petronas Fertilizer, Public Mutual Fund Managers, Malaysian Navy and Labuan Offshore Financial Services Authority (LOFSA). Course participants have found his participative and interactive delivery and approach to instruction, very interesting and effective. This has been reflected in every end-of-course evaluation.

He began his training career as a part-time lecturer at UITM, Shah Alam in 1983. In 1989, he started his series of Supervisory Skills training, initially for in-house participants but later received request to conduct it for external participants. In 1993, he began his endeavour in Experiential Outdoor Training that took him around the country conducting the program in various locations. His Key Performance Indicator (KPI) session became popular ever since the Government started using KPI to measure GLC's performance. He also lectured the Diploma in Management Program as well as the Certificate in Supervisory Skills and Certificate in Human Resource programs jointly awarded by FMM and USM. He is also an approved PSMB Trainer and is currently residing in Penang.
